-  This is a historic railway station constructed out of cypress.
-  It was badly damaged in the 921 Earthquake, but has kept its Japanese-style wood exterior in the restorations.
-  You may leave the Fuli Railway Station through this exit. Afterward go straight ahead and turn left. You will be able to make your way to the green tunnel by following the signs.
-  Our railway bento is both famous and delicious. It should not be missed. I would recommend you first buy a “to-go” bento outside the station to have as your lunch during a cycling break.

這是一座以檜木建造並別具歷史的車站。

這座火車站曾於 921 地震中毀損。而完成重建後的火車站，仍保有其日式風格的木造外觀。

您可以從這個出口離開，出站後先向前直走，之後左轉。沿著指示一路行走，您便可以抵達綠色隧道了。

我們的鐵路便當十分有名，也非常美味。非常推薦您先在車站外帶便當，並可在稍後的鐵馬之旅休憩時，作為您的午餐享用。

Fullerton Day-trip by Rail

George and Jenny will take a one-day tour originating in Fullerton City (富樂登市). In addition to seeing Fullerton's downtown sights, they also have in mind a bike trip along the town's feeder line.

They plan to go to the little town in the suburb, where they will ride on a bike to see the green tunnel (綠色隧道) and check out historical stations along a feeder line, as well as take time out on the way to enjoy the taste of an iconic railway bento meal (鐵路便當). Their first stop is the Fullerton Railway Station (富樂登車站) counter where they purchase train tickets and inquire about information and assistance.

G = George = 喬治

J = Jenny = 珍妮

C = Counter 2 = 2 號窗口

W = Station Master Mr. Wu = 吳站長

H = Vice Station Master Mr. Huang = 黃副站長

C: Good Morning. **How may I help you?**

J: Good morning. We would like to buy two train tickets from Fullerton (富樂登) to Fuli (富里), please.

C: **Would it be one way or round trip?**

J: Round trip, please.

-  **C:** Then I will recommend a one-day pass, which allows you to get on and off at all stations along the route for the day.
-  **J:** We would like to bike to the green tunnel. May I ask whether we need to pay more for bringing our bikes on the train?
-  **C:** Yes. But you can still use a one-day pass with a bike supplement. However, there are only a limited number of bike spaces on the train. **Please remember to ask the train conductor about the availability and location of bike spaces.**
- That comes to NTD400 in total. Thanks.

(10 minutes later.....) George and Jenny are now on the platform. They are asking the Station Master, Mr. Wu, if they can take this train to Fuli.

-  **W:** Good morning. **How may I help you?**
-  **G:** We would like to take a train to Fuli.
Could you tell us if we are on the right platform?
-  **W:** Yes. **You may take the 8:00 am train heading to Fuli from this platform.**
You will be able to identify the train by the animal painted on it. Fullerton trains have depictions of conservation animals on them and the one to Fuli has the leopard cat and pangolin on it.
-  **G:** Could you show us how to get our bikes on the train?
-  **W:** **You may get on the last car of the train where there is a rack to secure your bikes. You can take charge of them yourselves.**

(After 30 minutes.....) George and Jenny get off the train at Fuli Station where they come across Vice Station Master Mr. Huang.

-  **J:** This station's design is really unique!
-  **H:** Yes. That's right! **This is a historic railway station constructed out of cypress. It was badly damaged in the 921 Earthquake, but has kept its Japanese-style wood exterior in the restorations.**
-  **G:** We will ride bikes to the green tunnel later.
Is this the right station exit?
-  **H:** Yes. **You may leave the Fuli Railway Station through this exit. Afterward go straight ahead and turn left. You will be able to make your way to the green tunnel by following the signs.** In fact, visitors can fully enjoy the beautiful scenery of the feeder railway while biking this route.
-  **H:** In addition, **our railway bento is both famous and delicious. It should not be missed. I would recommend you first buy a "to-go" bento outside the station to have as your lunch during a cycling break.**
-  **J:** Wow! That's a great idea! I am truly looking forward to taking this day tour!

延伸建議 ● Exercises

情境延伸應用說明 Exercise Scenarios

- 以小組其中一位受訓人員所在城市之車站為主題（例如：花蓮、桃園、宜蘭等），向外國人士介紹車站資訊、車站設施或導覽在地特色文化。
- Select one of the railway stations of a participating trainee (eg. Hualien, Yilan, etc.) for each team in the scenario. The exercise involves hosting an event with international visitors. Trainees will need to introduce the facilities in the station, tourist information and attractions, and describe the unique aspects of local culture as if talking to an international visitor.

Sending Postcards at the Post Office

George and Jenny have ridden bikes through the green tunnel, and following a visit to the railway museum want to mail postcards and gifts to their family members and friends. For this, they arrive at the post office where they ask questions and seek assistance.

G = George = 喬治

J = Jenny = 珍妮

C = Counter 6 = 6 號窗口

W = Mr. Wang = 警衛王先生

W: Good Morning. Welcome to Fullerton City.
Please mask up in public areas to stop the spread of the virus.
 It's a safety measure to protect both you and others.

(George and Jenny put on their face masks.)

W: **We need to check your forehead temperature** before letting you in.

(The security guard Mr. Wang takes George's temperature.)

W: 36.5 degrees Celsius. OK.

(Mr. Wang takes Jenny's temperature.)

-  **W:** 36.8 degrees Celsius. OK.
-  **W:** Now **please disinfect your hands with the alcohol spray.** Thank you for your cooperation.
-  **W:** **Please take a ticket and wait for your number to be called.** Thank you.

Public Address System (PA system): Guest number 18, please come to counter 6. Thank you.

-  **C:** Welcome to the Fullerton post office.
Thank you for your patience.
How may I help you?
-  **J:** I would like to buy stamps for international postcards; two are addressed to Japan and five to Europe.
How much postage would I need to send these postcards?
-  **C:** **For international postcards, each one within Asia costs NTD10, and each one to Europe costs NTD12.**
That will be NTD80 in total. Thanks.
-  **G:** Hello, we would like to mail this letter to Greenlake City (翠湖市).
-  **C:** **How would you like to send it?**
At the ordinary mail rate?
Or at the prompt delivery mail rate?

-  **G:** What is the cheapest way to send it?
-  **C:** That would be by ordinary mail.
-  **G:** Would I be able to track it?
-  **C:** **If you need a tracking number, you'll have to send it by registered mail.**
-  **G:** How much does it cost?
-  **C:** Let me see..... **Your mail weighs 25 grams.**
Then it is NTD36 by registered mail.
-  **G:** Ok, registered mail is fine.
-  **J:** Besides this, can we also send our souvenir back to Greenlake City by domestic parcel?
-  **C:** Sure.
Let's put it on the scale and see how much it weighs first.
-  **C:** The weight of the parcel is 8 kilograms.
So, by ordinary postage, the rate is NTD100.
Oh! Wait a minute.....
May I suggest you use one of our "Ready-to-use Boxes" (便利箱) provided by the post office?
It only costs NTD80.
Moreover, discount rates are available when these boxes are reused.

-  **G:** That is fantastic!
-  **C:** Then **please fill out your mailing information here, including the zip code and sender's address.**
-  **J:** OK!
Here you go!
Thank you.
-  **J:** Now we will be able to cherish these wonderful “memories” back home upon their arrival.
-  **C:** Is there anything else that I can help you with?
-  **J:** No, that should do it.
-  **C:** Great!
I hope you have a wonderful day!

Introducing Agency and Making Job Description

 Hello, welcome to the Nova Station. I am the Vice Station Master Paul Huang. It's my pleasure to make my job descriptions for you.

 As the Station Master on duty, I am responsible for the safety and the efficient operation of the station on behalf of the Station Master.

 I usually stay in the operation room to supervise the Centralized Traffic Control system, and ensure the normal operation of the boards and signals. And I have to make adjustments for the train information display system in time whenever there are delayed trains.

歡迎光臨新星火車站，我是副站長黃保羅。今天帶大家認識一下副站長的一天在做些什麼吧！

平常值班時我就是值班站長，代表站長處理一切事務，必須兼顧行車運轉與客運業務，面面俱到。

我平常待在行車室監看中央行車控制系統，注意看盤、號誌是否正常，遇到誤點要調整列車資訊顯示系統。

-  There is an alert advice of Centralized Traffic Control system; which helps me to tell the incoming train is northbound or southbound. And I have to supervise the incoming trains at any time.
-  In particular, I have to pay attention to the passengers getting on and off the trains on the platforms.
-  Also, it is my responsibility to signalize the train masters to close the doors. Then, I have to send signals for the drivers for departure.
-  I have to be aware of the passage of trains as well. It is also my duty to supervise the passing trains.
-  We cannot take a break when we work a night shift. Our team has lots of assignments to complete after office hours.

系統設有警醒裝置，依據不同警醒提示音判斷列車方向，隨時起身到月臺進行列車監視。

尤其要留心乘客是否安全上下車。

如果列車要發車，我要以關門號訊通知列車長關閉車門。接著，還要顯示出發號訊通知司機員開車。

如果有通過列車也要留意，要起身到月臺進行列車監視，注意軌道與通過列車是否有狀況。

夜間值班也不能休息，營業時間結束後，許多任務才要開始。

-  With a view to ensuring safety for passengers, we usually proceed maintenance and repairing for railway switches, signal system, and power transmission lines between midnight and dawn.
-  After we have confirmed the finishing of maintenance and repairs, and evacuation of all technical workers, we will restore power supply and lift lockdown. We are under high pressure since we have to complete all the assignments before arrival of the first-run train.
-  In the long run, we have to help solve various kinds of questions of passengers. We hope to provide customer service experiences in hospitality to all passengers. And they will travel happily and return home safely.

除了運轉人員例行的轉轍器保養，其他像配合號誌段號誌維修、電力段電車線維修等，為了維護乘客安全，多在深夜與清晨進行。

待確認維修工作結束與人員撤離，才能進行鐵道通電與解除封鎖。這些工作都必須在首班車到達前完成，時間壓力非常大。

總而言之，只要在車站內旅客的各種疑難雜症，我們都要處理，希望能讓所有乘客快樂出遊，平安回家，感受我們的服務熱誠！
